Men’s Study Groups meeting weekly

It is hard to put into words how God is working in the Coastal Bend. We are teaching large numbers of lost people every week, and many are responding and obeying the Gospel message and being saved from their sins. What is really exciting is that our influence on the outside is becoming just as fruitful. The Lord has blessed us with 23 men who were recently released, are recovering from addiction, or are just coming directly off the street. We are using both discipleship and support groups all through the week to help them stay faithful and to stay strong.

We have a Tuesday and Friday Night Men's Bible Study Group where people are inviting their friends and family. Our Wednesday CASA meetings steadily minister. We are teaching them about the Gospel and how to follow Jesus Christ. *Please keep lifting us up in prayer because we are seeing God draw lost people to Himself through the preaching of the Gospel of Jesus!!*

Reaping the Harvest

Kings Crossing Prison Ministries (KCPM) continues to reap a harvest from the fruitful mission field of Prison/Jail and Recovery Ministries! KCPM strives to carry out the Great Commission by preaching the gospel to those incarcerated and then discipling them after they are released. **James Glover** is one of many who fit that example. James took a step of faith and led a devotional for a Monday night men's group and did a fantastic job (pictured in the white T-shirt on left). **James Glover** is just *one of several men and women who are answering challenge to move from being disciplined to becoming a mentor to other men.*

TDCJ State Chaplain's Forum (March 11-15)

Once again, we were privileged to represent NewLife Behavior and Kings Crossing Prison Ministries at the statewide Chaplain's Forum. Only a handful of ministry efforts are allowed to give presentations due to their statewide impact on TDCJ. NLBM curriculum is in more than half of the 100 prison units in Texas (probably much higher with Bible Correspondence courses).

Our relationships with chaplains is strong. **Dale Underwood** (pictured below) and others will be traveling throughout the state in the coming months to prisons (Navasota, El Paso, Fort Stockton, Plainview, San Antonio, Houston, and more) and increase the influence for Christ in prisons through NLBM curriculum usage. KCPM has been asked to go into the Garza East facility in Beeville (just opened back up due to TDCJ increased numbers). Next week (April 6th), we will once again return to the Glossbrenner Unit in San Diego, TX for preaching and a mass baptism event. Last October saw 52 men baptized into Christ! *Please continue to pray that God blesses these efforts so that souls (like James Glover; above) are won and serve!*

Gifts of Remembrance & Gratitude

Many ministry friends find this a meaningful way to remember loved ones and honor persons who have made a difference in their lives – living or not. Whether a person just passed away or died decades ago, it is a marvelous feeling to know that you or a loved one is remembered.
