CASA RETREAT (OCTOBER 21-23, 2022)

Christians Against Substance Abuse, or CASA groups, began in the early 1980’s. Support groups were needed for those struggling with chemical addictions. Since that time CASA groups have grown to minister in so many more ways and to so many more needs. CASA has become an outreach to many through relationship building, transparency, and support. New CASA groups are started regularly. Churches around the country are seeing the growth, whether by new or longtime members. It has been several years since we hosted a CASA retreat. We are excited to have it at the beautiful Bandina Christian Youth Camp. Fill out the registration form below and send it to the prison ministry office, and we will enjoy an enriching weekend together! See you there.

AUGUST LEGACY FUNDS DRIVE

The nature of this mission field is that the numbers of those incarcerated in Texas have not diminish during hard economic times. This ministry continues to be blessed because you coming alongside financially to help us take the gospel of Jesus to those in county, state, and federal imprisonment. In three different facilities no less than 24 souls were added to Christ in the last two weeks alone.

That is happening because of your prayers and support!

August is our annual legacy funds drive. We have two legacy accounts, the Rachel N. Kolb account increased by \$1,105 in August and the Buck & Janet Griffith account saw an increase of \$5,125 in August. These legacy accounts will give an assurance that the work in this mission field continues during times when the economy hits all of us hard. I wrote in the August newsletter that it is less important who plants or who waters, but the increase in the Kingdom is what matters. Your prayers, your financial partnership, our hands and feet- all of these combined are planting the seed of God's word in hearts and watering that seed to produce a harvest for our Lord. *"Thank you" is just too inadequate for how we feel for your partnership in this great work!*

A group

The Wednesday night CASA group at Kings Crossing Church of Christ continues to meet needs and minister to those attending. On the right, are pictures of Francis Morin and her uncle, Aris Bavan, who were baptized following a meeting in July. Also pictured (below right) are Manny and Christina Beltran who were baptized in August following a Wednesday CASA group meeting.

New released parolees have begun attending CASA, as well. Several men and women in the group facilitated discussion on relevant topics such as anger, temptation, control, emotional pain and so many more areas. If you would like to begin a CASA group where you are, contact us!

Or, sign up for the CASA Retreat and come away prepared and motivated to reach out to your community and reach in where you worship utilizing this marvelous tool.

Gifts of Remembrance & Gratitude

Many ministry friends find this a meaningful way to remember loved ones and honor persons who have made a difference in their lives – living or not. Whether a person just passed away or died decades ago, it is a marvelous feeling to know that you or a loved one is remembered.
